

We've had you read your Bible to understand God's love and His calling for your life. You know that God will walk with you as your partner every day of your life. Just ask Him.

These have been the Memory Max Bible verses of this week. Commit them to memory:

- **1 Samuel 3:10**
- **“Speak Lord I am listening.”**
- **Luke 2:10**
- **“ He was blessed by God’s grace”**
- **Luke 2:49**
- **“I had to be in my father’s house”**
- **Mark 1:49**
- **“Believe the good news”**
- **John 6:14**

CAMP JUDSON NEWSLETTER

July , 2005

Thank You for being part of Camp Judson this week. If you invited Christ into your life this week, be sure to:

- **Be courageous and ‘step out of the boat’ for a life of adventure with Christ**
- **Develop a daily prayer time.**
- **Read your Holy Bible to learn all the stories about these ‘Bible Heroes’.**

Be sure to take your Camp Judson music CD home with you and listen to some of our camp songs.

Here are some our activities of the week.

After all the worship music, lessons, arts/crafts, drama skits, games, and trips to the snack bar, it was time to hit the water. Some swam, some canoed, but others took a challenge of steering a course.

Thank You:

Yes thank you for allowing me spend time in your camp and lead Chapel music. God has richly blessed this time for me. Thank you for your enthusiasm and joy in singing praises to our Lord. I'll always remember this experience at Camp Judson. *Roger Lubiens*
